SYNOPSIS OF FACTS:

OTTO RECHELA unknown to present tenants at 1218 E. 9th St., Erie, Pa., and by Post Office authorities there.

- R. U. C. -

REFERENCE: Report of Agent Lefko, Chicago office dated 8-17-38.

DETAILS: **- AT ERIE, PA. -**

Agent consulted City Directories for the period of 1915 to date,, with the result that the name of **OTTO RECHELA** does not appear. Further examination made of street classifications with names of all residents, for same period, discloses that the premises at 1218 E. 9th Street, had been tenanted by **LAWRENCE ZAMIEROWSKI** and **JOSEPH ZAMIEROWSKI**, which is the given address of **OTTO RECHELA**, as set forth in report of Agent S. E. Lefko, Chicago, Ill. office, dated 8-17-38.

Inquiries made of **MRS. ANTHONY SZYMANSKI** at the above referred to address, resulted in her information to the effect that she is a daughter of **LAWRENCE ZAMIEROWSKI**, lately deceased, and a sister of **JOSEPH ZAMIEROWSKI**, who left Erie, about one year ago, and whose present address she did not have, it being her information that her brother had gone to Grand Rapids, Mich. Mrs. **SZYMANSKI** asserted that she had never heard of **OTTO RECHELA**, qualifying her assertion by saying that neither her father nor her brother above referred to, had ever mentioned the name of **RECHELA**.

Post Office records disclose that mail addressed to **JOSEPH ZAMIEROWSKI**, formerly residing at 1218 East 9th Street, has been forwarded to him, C/o 908 Grand Rapids Trust Building, Grand Rapids, Mich., whereas no record of forwarding address of **OTTO RECHELA** is revealed.

G. A. PERRY, 315 Crotan St., New Castle, Pa., father of subject PERRY, interviewed. Little information of value obtained. ROY PERRY, brother of subject in Culver City, California. JENNIE PERRY, sister, in Wellsville, Ohio.

- P. O. O. -

REFERENCE: Report of this Agent dated 8-24-28.

DETAILS: - AT NEW CASTLE, PENNA. -

G. A. PERRY, previously reported as G. H. PERRY, father of subject PERRY, I. O. #1002, now resides at 315 So. Crotan Street, and operates a tinner shop at the same address. He stated that his wife died when subject was eleven years old and since that time he had seen little of his son, although he corresponded with him frequently while subject was confined in the penitentiary at Leavenworth, and that while so confined, subject was committed to the Hospital, suffering with tuberculosis, and may now be dead. He further stated that subject was a globe trotter, that the last time he had communicated with him, which was about five or six years ago, that subject was in Venezuela, South America, under an assumed name, which name he refused to disclose. Furthermore, the last letter he mailed to subject in South America was returned to him. PERRY further informed Agent that he had been trying to locate subject through the I. W. W. headquarters in Chicago, and that they had lost all trace of him, that he personally wanted subject to return and take the consequences, but that other interests, other than his own, prevented him from working with the Government in locating him. He would not explain this statement. It was very obvious that MR. PERRY maintains radical socialistic views. Police Officer Young who has known G. A. PERRY for many years, states that he is a law abiding citizen, but not from choice. He further stated that PERRY was instrumental in bringing a socialist newspaper to New Castle, recently, but for some unknown cause, it functioned for only a week; that he was honest in business dealings, but could not be relied upon to assist in apprehending his son. Mr. Young further stated that he knows subject, and if he ever returns to New Castle, he will notify this office.

MR. PERRY further informed Agent that he had a son ROY PERRY, who was a Lieutenant, during the World War, that he was with the U. S. Shipping Board immediately after the war and located in Washington, D. C. and New Orleans, respectively, that the last time he heard from him, which was over a year ago, he was in Galver City, Cal., address unknown, trying to put over an electrical device, which he had invented; that ROY had been trying to locate subject without results. MR. PERRY also has a daughter, JENNIE, who is a nurse at the Community House, American Tin & Sheet Company, Willsville, Ohio. PERRY stated that his daughter saw active service as a nurse in France during the war, and that she has become disgusted with subject and lost all interest in his general welfare.

Lead at Erie, Pa., will be investigated soon.

VICTOR LEE unknown at 201 N. 3rd Street, Virginia, Minn. Mail carrier and Assistant Postmaster interviewed but no information obtained. Mail cover placed. Pending report on mail cover.

PENDING.

Reference: Report of Agent S. E. Lefko, Chicago office, dated August 17th, 1928.

DETAILS:At Virginia, Minn.:

At 201 N. 3rd Street, Virginia, Minnesota, Agent found a store and residence occupied by GEORGE AHSTRAND, who has been there a number of years. GEORGE AHSTRAND stated that he did not know of a VICTOR LEE and has never heard of any such person in Virginia, Minn.

Agent went to 201 3rd Avenue West, formerly 201 Third Avenue North, and found this to be a Finnish Hotel, operated by JUKOLA BROS. There Agent was informed that VICTOR LEE was unknown and had never been there; that they had only Finnish fellows. Agent did not reveal his identity at either place. AHSTRAND and JUKOLA BROS. are Finns and so apparently is subject FRED JAAKOLA.

Mail carrier HARRY VAN KEUREN advised Agent that he had carried mail over eight years to 201 N. 1st Street and 201 W. 3rd Avenue, and that there was no VICTOR LEE at either place. He gave as his opinion that someone might be writing to AHSTRAND using the name of VICTOR LEE as a blind, figuring that AHSTRAND'S mail might be covered. Mr. VAN KEUREN advised Agent that he would notify the Post-

Mr. VAN KEUREN stated the Finns in that neighborhood were extremely clannish and would give no information whatever to anyone except a Finn.

Assistant Postmaster J. L. ANDREWS checked his records but found no VICTOR LEE listed at Virginia, Minn. He stated he would have a thirty day cover placed on VICTOR LEE, Virginia, Minn., and would forward tracings should any letters to LEE come in during that time.

"I made inquiry under a suitable pretext at these various places, other than the true one, to ascertain if E. J. MacCosham was employed there. He is not known to the employees I talked to, possibly for the reason they have not been working here long enough themselves. Neither was I able to see any one resembling the likeness of E. J. MacCosham as shown in the circular, even allowing for the 11 years that have passed. He is not known at the Post Office. A copy of his signature was left at the Post Office, together with the information contained in the circular and an effort will be made to ascertain if mail comes to his brother addressed in this handwriting. A further attempt will be made to locate former employees and with as much discretion as possible obtain what other information is possible.

Dear Sir:

It is observed that Identification Order #1000 covering subject William D. Haywood is still active and no Apprehension Order has been issued cancelling the Identification Order.

It is my recollection that the subject of this Identification Order died some eight months ago in Russia. It would appear the Bureau file should contain verification of this.

Dear Sir:

Please refer to your file relating to the case entitled W. D. HAYWOOD, et al, Fugitive, I. O. #1000, Conspiracy to violate Espionage Act.

This is for the purpose of suggesting that you should confer with the United States Attorney of that district for the purpose of ascertaining the United States Attorney's desires with respect to the continuation of the investigation as regards subject HAYWOOD. The various press despatches commenting upon the death of subject HAYWOOD at Moscow, Russia would apparently establish the death of that subject. It is therefore considered probable that the United States Attorney of that district will authorize the discontinuance of investigation as to the subject mentioned. It is also suggested that while making the inquiry suggested above, you should ascertain the status of the case with respect to other subjects of this investigation.

Very truly yours,

Director.

A careful inspection was made of the local telephone book for the names **VICTOR LEE** and **FRED JAAKKOLA**, but no such names appeared therein. This is a small town and does not have a published directory. A copy of Identification Order No. 1005 was exhibited to Assistant Postmaster J. L. **ANDREWS** and carrier **HARRY VAN KEUREN** at the Virginia Post Office, and both of these gentlemen advised that they did not recognize the photograph as being that of any person known to them in the city of Virginia. They also advised that no persons by the names of **VICTOR LEE** and **FRED JAAKKOLA** were receiving mail from this Post Office. In the telephone book appears the following listing, "Jukola Bros. Trading Association, 201 N. 3rd Ave." Mention is made of this concern in the reference report. Postmaster **ANDREWS**, as also carrier **VAN KEUREN**, advised Agent that words "Jukola Bros." in the above mentioned firm name did not refer to individuals. In Finnish the word "Jukola" stands for an order or fraternal group. Both of these gentlemen likewise

informed that this concern was strictly Finnish, and in addition to being operated as sort of a boarding house also handled some merchandise in a cooperative manner for the benefit of its members. Carrier VAN KEUREN stated that he had delivered mail at this address for several years, and had never seen any mail going to anyone by the name of JUKOLA or JAAKKOLA, nor has anyone resembling Subject ever been seen around this place of business. A request was made of Assistant Postmaster ANDREWS to furnish the Minneapolis Office with tracings of all mail going to this address and association for a period of thirty days from the date of this interview.

At the local Police Headquarters, Agent interviewed Sergeant W. H. HADLEY, and was advised by him that neither VICTOR LEE nor Subject FRED JAAKKOLA were known to him. He stated that a great many Finns lived in and around this town and that they represented a more or less undesirable element. Sergeant HADLEY also stated that his experience over a number of years here proved that it was just about futile for a person to expect any results from inquiries among them unless he were a Finn and somewhat known to them. He volunteered to assist the Department in every way possible, with the view of locating Subject JAAKKOLA, and as a result Agent left with the Sergeant a copy of Identification Order No. 1005, and was in turn assured that he, Sergeant HADLEY, would have one of his Finnish undercover men institute a thorough inquiry for the whereabouts of Subject JAAKKOLA, and that he would advise the Minneapolis Office of any results obtained.

At Phoenix, Prescott, Jerome, Miami and Globe, Arizona.

Agent located M. J. or Mickey Scanlon at Jerome, Arizona, who advised he had been in Jerome and Miami, Arizona, for the past 10 years; that so far as he knows he is the only Scanlon in that part of the country; that he never heard of a W. J. Scanlon said to be in Miami and believes this party must have been confused with him. Scanlon further stated that he has not had any correspondence with Subject McCutcheon nor has he any information as to Subject's present whereabouts. Stated also that the last time he ever heard of Subject McCutcheon was that he had gone into Canada some place.

Chief of Police Crowley, of Jerome, Arizona, advised that Thomas J. Nagle, an alleged correspondent of Subject McCutcheon, had left Jerome and was said to be connected with the Arizona State Highway Department, however, inquiry of the Chief Clerk, of the State Highway Department at Phoenix, discloses that Nagle had been employed there in 1927 but had left the job on October 31, 1927, and that no information was available as to his present address. Agent conferred with Mr. J. E. Wilkie, who is a Special Investigator for the Mines Managers Association of Arizona. Mr. Wilkie stated that his duties required him to keep in close touch with all radical activities as well as all radicals who might appear in or around any of the Arizona mines; that he has never heard of any one by the name of W. J. Scanlon who is said to be in Miami, Arizona, and that in his opinion this must have been intended for M. J. or Mickey Scanlon. Mr. Wilkie further stated that during the course of his work and investigations generally he has never heard of Emil Tillman or Carl Voss, and further that neither is employed in any capacity in the Arizona mines.

Investigation at Miami and Globe, Arizona, was made for the purpose of locating W. J. Scanlon. Agent interviewed Mr. George E. Q. Johnson, United States Attorney, Chicago, Illinois, who furnished this office a letter dated November 22nd, 1928 which reads in part as follows:

"This case was disposed of in this court in 1918, and was appealed to the Circuit Court of Appeals and affirmed. Most all of the defendants, who were convicted, have served their terms years ago. William D. Haywood, the prime mover, left this country for Russia pending the appeal and has never returned. From press reports, we have learned that he is now deceased. As Haywood was the prime mover in the matter, it would be of no interest to keep this case open any longer for the apprehension of any other fugitives. I therefore recommend that the case be closed and that orders be given to the custom and immigration authorities that no further proceedings be had in this matter looking to the apprehension of the fugitives in this case."

Mr. Johnson further stated that he would immediately take steps to have the indictments now pending against the various subjects dismissed, and recommended that the case be closed.

MEMORANDUM FOR THE FILES.

61-2494

A telegram was received from the Chicago Bureau Office under date of December 12, 1928, advising that subject HERBERT McCUTCHEON, Identification Order #1001, was in custody at Edmonton, Alberta, Canada. The Chicago Bureau Office requested that the matter be referred to the Department for consideration in connection with extradition proceedings indicating that the United States Attorney at Chicago, Ill., had requested this action.

The matter was referred to Mr. Ridgely, Special Assistant to the Attorney General on December 13, 1928 and at that time Mr. Ridgely indicated that appropriate steps would be taken to cause the subject's extradition from Canada. Later, on December 14th, Mr. Ridgely conferred with Mr. Hughes of Division 3, indicating that after giving the matter further consideration it was not deemed practicable to request the State Department to institute extradition proceedings. Mr. Ridgely suggested, however, that the Chicago Bureau Office be advised in that regard and requested to submit the matter for the further attention of the United States Attorney at Chicago, Ill., suggesting to the United States Attorney that he forward a formal request to the Department in order that the Department would be enabled to request the State Department to initiate deportation proceedings in the regular manner, it being understood that such request must originate through the United States Attorney having jurisdiction over the district in which the subject's conviction occurred.

(PERSONAL).

Dear Mr. Hoover:-----

61-2494

Herewith I am sending you copy of a letter that I have just mailed Commissioner Bryan, Alberta Provincial Police, at Edmonton, Canada. I could tell by his telegram to me, which I quoted in a telegram to you, that he did not like it because he had not been communicated with in regard to his locating Herbert McCutcheon, Identification Order #1001, so I sent him a 10-word message, last night, saying the matter was being referred to Washington. This is being followed by my letter, which, with communication coming from Chicago, will make him feel all right. They are so helpful to us and feel so proud when they have made a "catch" that they can hardly wait for recognition of it. The Commissioner is a good friend of the Bureau and all his Inspectors have instructions to heed our requests, hence my anxiety to keep him feeling at his very best toward us. They are a real force, too, and worth keeping on the present extremely friendly basis. I trust my actions herein will be approved by you as it is for the entire Bureau that the action was taken, as I felt sure that all was being done that could be done; only Commissioner Bryan did not know it. This will explain to him, your telegram being just the thing.

I wish also to express my appreciation for your kind letters of the 11th, instant, regarding the annual report of the Theft Committee of the Pacific Coast Division of the National Automobile Theft Bureau and of my letter in reference to the Bureau's Manual of Rules and Regulations.

It is my sincere wish that the Holiday Season may bring you much pleasure and satisfaction.

Sincerely,

Dear Mr. Bryan,

Confirming my telegram of last night that I would take the matter of Herbert McCutcheon up, I would respectfully state that this morning early I received the following telegram from Director, Hon. J. Edgar Hoover, Washington, D.C., which shows that the matter is being handled so rapidly as possible by our Department.

"Retel Herbert McCutcheon Identification Order ten naught one offense apparently not extraditable Stop Chicago office has been instructed to have matter presented to Department through U S Attorney Chicago looking toward deportation Stop You should advise Commissioner Bryan matter is being expedited all possible."

I thank you very much for your kindness and congratulate you upon locating this much wanted fugitive. I certainly appreciate the help you give us and hope that I may be able to visit you again in the near future. It has been a year since I have been able to see you personally, but I have heard of the work of your splendid organization right along. Dear Sir:

I am transmitting herewith my report covering the interview had with Albert Stutz at Sandpoint, Idaho, in regard to the above captioned matter. I may add some small items which may aid in the matter of attempting to make a location of the hideout:

[redacted] that the hill was about 150 feet higher than the cave; that there is no timber around the opening to the cave nor on the hillside, so far as he could see, and that he visited the cave with Hutton, both times starting in the evening and returning during the night; also, that the car, which he could not identify as to make or anything else, was a "big" car.

These small items are given to aid if a search is made for the cave.

Dear Sir:

Reference is made to Bureau letter dated April 2, 1930, relative to the case of HERBERT McCUTCHEON, with alias, FUGITIVE, I.O. 1001, et al, CONSPIRACY TO VIOLATE ESPIONAGE ACT, your file 61-91.

The Bureau is now in receipt of a communication from Assistant Attorney General Lohring advising that since the offense with which the fugitive is charged is not extraditable, there seems to be no further action the Department can take with respect to securing his return to this country. Assistant Attorney General Lohring further states that the case should remain open as it may be that McCutcheon will return to the United States and can be apprehended.

It appears, therefore, that the case should be carried as pending, inactive, by your office.

Very truly yours,

Director.

Dear Sir:

Recently information has been received at this office from a prisoner at Sand Point, Idaho, indicating that this prisoner may be in possession of information which will lead to the location of Grover H. Perry, I. O. #1002. A report covering the interview had with this informant will be forwarded to your office within the next few days.

Prior to the consolidation of the former Butte Office with the Portland Office, the Butte Office had accumulated a considerable file on Grover H. Perry which it is felt would have been of a great deal of assistance during the interview referred to above and also in the preparation of the report yet to be made.

This office is of the opinion that the same condition will apply to a number of other files which were forwarded to the Portland Office when the Butte Office was closed and which have been retained there. It is, therefore, requested that you forward to the Butte Office all of the closed files received by you when this office was discontinued.

Dear Sir:

Reference is made to letter of your office of the 4th inst., referring to Butte file upon one Grover H. Perry, I.O. #1004. It is noted that your office desires the return of all closed files received in this office at the time the Butte district was allocated to the Portland district.

In this respect, you are advised that all Butte closed files were shipped to your office for arrival there prior to August 15, together with pending files pertaining to the present Butte district. The only Butte files which may be retained in this office are those which may have been consolidated with Portland files during the past year and since have become closed. There is no way of identifying these files without a thorough search of all files in this office, and such procedure is not deemed expedient. In view of the fact that these files would be few in number, it would appear a better procedure for your office to make request upon this office for any particular closed files which may have been retained here.

With respect to the file of Grover H. Perry, you are advised that this office does not have a file emanating from the Butte office on this case.

DETAILS:

At Butte, Montana:

On September 1, 1933, a letter was received, dated August 31, from Sheriff Warren E. Hutton refused to talk and they had gotten nothing out of him.

[redacted] was interviewed at the Sheriff's Office on the morning of September 5, 1933, as he was to be released at 10 A. M. that day to his father. Sheriff Rapp and Deputy Sheriff Grigg were present at the interview. No amount of questioning caused [redacted] He is not of keen mentality. neither is he a moron. He stated [redacted] Hutton [redacted] Seattle some Sandpoint (about August 3rd.); that Hutton became friendly with him at the hobo camp, or "Jungles" near Seattle and the two travelled together from the time of their meeting; that he did not know Hutton's record but Hutton told him he had a big job in the East which he wanted [redacted] to help him with; that Hutton had a big car which was "hot" stored in some eastern point but he would not tell him where - spoke of Boston frequently. Stutz stated that on two occasions, while they were in the "Jungles" at Seattle, Hutton took him to a hideout where he saw four men. One of these he positively identified as Grover H. Parry, I. O. 1002 from the photograph in that identification order. [redacted] states that both times he and Hutton [redacted] about an hour's walk from the "Jungles", which is a cave, and both times they left by another route, being picked up by a car, make and driver unknown to him, and taken back to near the "Jungles"; that he believes he can locate this hideout by starting from the "Jungles", as it is in the hills, as he fixes it, to the eastward of the "Jungles", although he is not sure about direction. He says it is on a side hill and the opening is simply a pit about five feet deep; that there is a ladder leading down to the pit but that he and Hutton jumped down into the pit. At the side of the hill there are doors which slide open and Hutton knocked on them and was admitted; that from these doors there is a tunnel which is some 30 to 50 feet long, when other doors are encountered and a room is entered. Facing the doors in this room is a machine gun "set on three locks" and a man watching it, the gun having a belt with cartridges in it. [redacted] says he attempted to handle this gun and was jerked away from it by Parry, who said that he might look at things but wasn't touch them; that Hutton was acquainted with the four men who were in the cave each time; that back of this first room there was a second, with doors between, and in this room he saw four boxes of dynamite, some of the boxes being sealed, and a half dozen bombs, some of which "had levers on the sides" and others had "a hole in the end", either for a fuse or to explode them; that there were other weapons in the cave and he thinks there were other rooms as he did not see any sleeping rooms; that there was all kinds of good liquor which he was urged to drink. The place was well lighted but not with electricity - thinks they were carbide lights. He stated that when they were leaving the last time, one of the men said to Hutton, "Make a good one out of him"; meaning a good burglar. He further stated that he was willing to go and try to locate the place if no one was told about it and one of the local officers

Dear Sir:

In re: E. J. McCutcheon - Fugitive
I.O. 1001
Conspiracy to Violate Espionage Act

United States Attorney George E. Q. Johnson received a letter from the Attorney General stating that Subject cannot be extradited from Canada as the offence of conspiracy is not included in extradition treaties between the United States of America and Great Britain and that deportation proceedings will have to be initiated by the Canadian Government for deportation of Subject as an undesirable alien.

Do you desire to handle this matter direct or have the Chicago Office of Bureau refer it to the nearest border office to the point in Canada where Subject has been located, in an endeavor to obtain deportation of Subject from Canada as an undesirable alien?

Dear Sir:

Acknowledging receipt of and replying to your letter under date of January 18, 1929, with reference to the case entitled E. J. McCUTCHEON - Fugitive, I. O. #1001, Conspiracy to Violate Espionage Act, you are advised that the matter in question is apparently one for the decision of the United States Attorney in that District. Further proceedings, if any, are solely within the province of and for the decision of that individual. If the United States Attorney of that District desires the deportation of the subject from Canada, it would appear that information to be used in that connection should be issued through that office, as it is not the function of the Bureau to suggest to the Canadian authorities that the subject should be deported. Information contained on Identification Order #1001, has no doubt completely advised the Canadian officials as to the subject's identity and antecedent activities, and from such information the Canadian officials should be in a position to make an independent decision in the matter.

It will be entirely proper for you to suggest to the United States Attorney at Chicago, Illinois, that Special Agent in Charge D. H. Dickason of the Butte Bureau Office, apparently has close contact with the Canadian officials who have taken the subject into custody and that Special Agent in Charge Dickason will be pleased to forward such information as the United States Attorney may care to submit, to the proper officials in Canada.

Very truly yours,

Director.

The indictments in this case deal with conspiracy, which offense is not included in any of the extradition treaties with Great Britain, and a demand for extradition of the Subject in this case would not be warranted.

Dear Sir:-

I am in receipt of report of Agent Flaherty, of your office, dated 3/4/29, captioned HERBERT McCUTCHEON, alias M. J. MacCOSHAM, et al - Fugitive, I. O. #1001, Conspiracy to Violate Espionage Act. I am taking the matter up and hope soon to have a conference with the Canadian officers, to see what can be done to get this man into the United States.

If the U. S. Attorney will do so, I would like to have certified copies of indictments relating to McCUTCHEON; also a certified copy of "Not Found" return of the United States Marshal there -- in fact, a complete set of papers for use of the United States Attorney in Montana, if this man should be returned to Montana territory. These papers will also be valuable to show the Canadian officers.

Anything that you may have in regard to the record of this man would be appreciated, as well as anything showing his residence in the United States during the time after the Kingdom of Great Britain entered the World War. These statements will be in the form of something to show the Canadian officers than anything else, as they are great "sticklers" for having matters presented in apparent legal form.

Thanking you in advance for your kindness, I am

Dear Mr. Hoover:

I have this morning received a report from the Chicago Office, together with copy of Bureau letter of 1/23/29, with reference to E. J. McCUTCHEON, alias E. J. MacCOSHAM, Fugitive, Identification Order #1001, Conspiracy to Violate Espionage Act, who is one of the I. W. W. convicted at Chicago and sentenced, and who "jumped his bond", suggesting that this matter be referred to me. He has been located, as the file shows, at Edmonton, Canada, and is under surveillance by Commissioner Bryan at that place. The Chicago Office is anxious to secure his return, and I am anxious to aid, if possible.

There is also at Calgary, between here and Edmonton, one FRANK E. HOWELL, who has forfeited a \$5,000 bond in Los Angeles, on a charge of conspiracy to violate the National Prohibition Act, he being a Fugitive from Los Angeles.

I am sending herewith copies of the letters being sent by me today to the two offices mentioned. I feel that there is much to be said to the Canadian officials that can not well be written, and that, if possible, I should have personal interviews with them to get the proper contact without too much written record being made. One of the Assistants Attorney General at Edmonton is an American and very much interested in anything we are interested in. He should be seen also. I do not know that I can secure the deportation of either of these men, but I feel that, if I can not do so, it would be useless to send anyone else. If you deem it advisable, kindly authorize my going to Edmonton, stopping at Calgary enroute, and I will do my best to try to have one, or both of these Fugitives, returned to the United States in some way. It is not a nice time of year to make the trip, but it is better than for the past three months as to cold, and I can make it very nicely so soon as office conditions will permit. I am very much interested in the McCUTCHEON case and shall leave no stone unturned, whether you think it best for me to go or not, to have him returned to United States jurisdiction, but I can say

personally to the officers in Canada much more than I can write, and a few ideas, which I may be able to give them verbally; might help; but I would not want to write them, even to as good friends as the Canadian officers are.

One thing we have to surmount is that the Immigration or Deportation Officers in Canada are for the entire Dominion while the Provincial Police act only for the Provinces of Alberta. I have good friends in both organizations and can make the necessary friendly contact, even though there are slight differences among themselves on other matters.

RECORDED

MEMORANDUM FOR MR. LUHRING.

There is transmitted herewith a copy of a letter dated March 28, 1929, from the Agent in Charge of the Chicago Bureau Office, relative to the case entitled HERBERT McCUTCHEON, with alias, et al, Fugitive, I. O. #1001, Conspiracy to Violate Espionage Act.

The Bureau was advised on December 12th, 1928, that subject McCUTCHEON had been located at Edmonton, Alberta, Canada, by W. C. BRYAN, Commissioner of Provincial Police. The matter was referred to the United States Attorney at Chicago, and on January 18, 1929, the Bureau was advised by its Agent in Charge at Chicago, that the United States Attorney had informed him that McCUTCHEON could not be extradited and that any proceedings looking to his deportation would have to be instituted by the Canadian Government. The Chicago Bureau Office was informed that any proceedings for the purpose of suggesting to the Canadian Authorities the deportation of McCUTCHEON would have to be initiated by the United States Attorney, but that the Bureau, through its Butte Office, would be pleased to forward to the proper officials in Canada, any information in this regard which the United States Attorney might care to transmit.

At the request of an Assistant United States Attorney at Chicago, the Chicago Bureau Office requested the Agent in Charge of the Butte Office to forward information to the Canadian Officials to the effect that McCUTCHEON, a citizen of Canada, evidently evaded army service during the World War, in order that action might be taken to have McCUTCHEON returned to the United States. The Butte Office requested the Chicago Office to obtain certified copies of the indictment returned against McCUTCHEON and other papers in this connection, in order that the Canadian Officials might be advised of the facts in the matter. The letter first referred to is the result of this request.

71

You will note that the United States Attorney at Chicago states that he would like to have definite instructions from the Department, not only as to McUTCHEON, but also as to VLADIMIR LOSSIEFF, GEORGE ANDREYITCHINE, GROVER H. PERRY, CHARLES ROTHFISHER and LEO LAUKKI. Prior to the recent developments as to McUTCHEON, on November 22, 1928, the United States Attorney at Chicago had advised the Chicago Bureau Office that, inasmuch as WILLIAM D. HAYWOOD, the prime mover in this matter, has apparently died in Russia, he did not feel that the case should be kept open any longer for the purpose of seeking the apprehension of the other fugitives. However, the Bureau has continued its investigation for the purpose of locating these fugitives and will take no action toward closing its case until definitely instructed in this regard.

This matter is referred to you for such action as you deem appropriate under the circumstances.

Very truly yours,

Director.

Chicago file #61-91.

Reference is made to a letter to this office from the Butte Office dated March 8, requesting certified copies of a portion of the record in this case. Upon taking up the matter with Mr. Small in the office of the United States Attorney in Chicago, he called attention to the fact that some of these defendants who remained in the penitentiary were either pardoned or paroled, and that before furnishing certified copies of the indictment etc. and before any action is taken by the United States Attorney, he would like to have definite instructions from the Attorney General as to what action is desired, not only with regard to Herbert McCutcheon, but also in regard to Vladimir Lossieff, George Andreytchine, Grover H. Perry, Charles Rothfisher and Leo Laukki.

In view of the above, please advise if a ruling or opinion can be obtained from the Department as to their wishes, for the benefit of this office and office of the United States Attorney, in order that this matter can be brought to a definite conclusion, especially as to the continued search for the other fugitives.

It is noted that the United States Attorney at Chicago has advised that before taking any action in this matter he would like to have definite instructions from the Department, not only as to subject McCUTCHEON, but as to the other subjects who are fugitives.

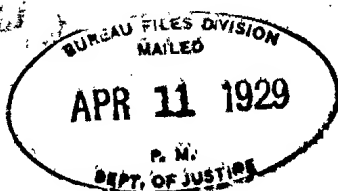

You are advised that this matter has been referred by the Bureau to the Criminal Division of the Department and the Bureau is now in receipt of a memorandum dated April 9, 1929, advising that, as conspiracy is not a extraditable offense under the treaty with Great Britain, and as the matter of deportation is one for consideration by the Canadian Authorities, the Department can give no instructions in the premises.

The Department's memorandum makes no reference to the matter of continued search for the other fugitives involved in this case.

It is suggested that the information contained herein be referred to the United States Attorney at Chicago.

McCUTCHEON, with alias, Fugitive, I. O. #1001, Conspiracy to Violate Espionage Act, and FRANK E. Perhaps I can get started Thursday.

In addition to this, there immediately came a request from the Bureau to have an extensive interview with Glen M. Ruby of the Marland Oil Company at Edmonton. I have communicated with Mr. Ruby and have made arrangements for an interview so soon as I can get there. This is in the case of the United States vs. The State of Utah.

I shall advise you by wire when I leave.

I feel that I shall have a pleasant interview with Mr. Ruby, as he closes his last letter with the paragraph - "I hope you are planning a trip down the Colorado River, and that you can arrange for me to accompany you." Mr. Ruby is Vice-President of the Hudson's Bay Marland Oil Company, Limited.

Dear Mr. Hoover:

MAY 4 1929

Referring to your kind letter of the 15th ultimo, in which you authorized my proceeding to Calgary and Edmonton, Alberta, I would respectfully state that I have made the trip and have taken up all the matters mentioned in my letter of the 8th.

At Edmonton, I had a very pleasant conference with the Provincial Police officials, and, while Commissioner Bryan was compelled to leave the city soon after I arrived, Inspector W. F. W. Hancock looked after all matters in his absence.

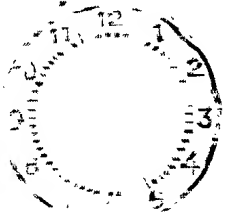

They have E. J. McCUTCHEON, with alias, Fugitive, Identification Order #1001, Conspiracy to Violate Espionage Act, under surveillance, and can produce him at any time that we may be able to handle. They are trying to find some way to get him into the United States any way, but owing to the distance to the border, it is not easy to do.

Inspector E. W. Bavin, Calgary, has designated Detective Simonds to keep an eye on FRANK E. HOWELL, Fugitive, National Prohibition Act, wanted in Los Angeles, and Immigration Officer Cardinal states that deportation will be ordered so soon as one additional paper is received from Texas. The Provincial Police take quite an interest in this case and have given every aid possible, and will continue to do so.

I had considerable work with Mr. Glen M. Ruby, Geologist, Vice-President of the Hudson's Bay Marland Oil Company, Limited, and now President and General Manager of the Nordon Corporation, Limited, of Edmonton, Calgary, and Vancouver, B. C., and secured statements desired by the Government from him. It took considerable time with Mr. Ruby, as he was giving up his connection with the Marland people and getting ready to take over the other corporation work.

Hon. J. Edgar Hoover. - - - -2.

However, he gave me sufficient time to dictate his statement, read the same carefully, and sign, also to answer most questions fully that I asked him.

At Calgary, I went over the case of THOMAS ADAMS, alias THOMAS WOODS, National Motor Vehicle Theft Act, who is also wanted in Canada on two warrants for crimes committed there. I think every member of the Provincial Police in Calgary knows of the work of the Bureau in following this man and of connecting him up with the names of McKillip and McGonikle.

In both Calgary and Edmonton, the officers of the Provincial Police asked about you and whether the recent election had made any difference in your status. They were very much pleased when they learned that you were still Director of the Bureau, and Inspector Bavin said that they were now assured of four more years of co-operation with the Government officers, meaning the Bureau officers, who are about the only officers they consider as United States Government officers.

I feel that my trip will help very much in securing future co-operation with the various law enforcement officers in Canada. I was assured at every place that anything they can do for the Bureau would be done, and I have every reason to believe that they are entirely sincere in their assurances.

I wish to again thank you for your kindness in allowing me to make this personal contact with these excellent officers.

Sincerely,

D. H. Dickason

MEMORANDUM FOR ASSISTANT
ATTORNEY GENERAL LUDRINO.

Reference is made to Bureau memorandum dated April 8, 1929, relative to the case entitled HERBERT McCUTCHEON, with alias, FUGITIVE, I. O. 1001, et al, Conspiracy to Violate Espionage Act, in which you were advised that the above named subject was located at Edmonton, Alberta, Canada, on December 12, 1928, the matter being referred to you for your opinion as to what action could be taken with respect to extradition proceedings, or the deportation of McCutcheon from Canada to the United States.

Under date of April 9, 1929, you advised the Bureau that "Conspiracy is not an extraditable offense under the treaty with Great Britain, and as the matter of deportation is one for consideration by the Canadian authorities, it does not appear that the Department can give any instructions in the premises."

The Bureau is now in receipt of a letter from the Special Agent in Charge of its Chicago office, requesting to be informed as to the present status of this case.

Since the subject's location in Canada it appears from the Bureau file that efforts have been made to cause his deportation to this country, without result. It further appears that this fugitive was born in Canada and prior to 1918 resided in the United States for a period of approximately eighteen years, though not a citizen thereof. It is believed that this fugitive is still residing in Canada. However, the last information in this respect was set forth in a communication from the Special Agent in Charge of the Bureau's Butte, Montana, office, under date of April 30, 1929, which contained the information that McCutcheon was under surveillance of the Provincial Police at Edmonton, Alberta, Canada.

An Identification Order was issued for this subject on June 30, 1927, and same is still outstanding. The Bureau would appreciate advice from you as to whether this case should be kept open.

Dear Sir:

Reference is made to your investigative file in the case entitled HERBERT McCUTCHEON alias E. J. MacCoshan, Fugitive, I. C. #1001, ET AL, Conspiracy to Violate Espionage Act, and particularly to your letter to the Bureau under date of August 20, 1931.

A review of the file maintained by the Bureau in this case reveals that the subject is residing in Canada and that all leads towards causing his apprehension have been exhausted. It is also noted that the Department has advised that the violation involved is not an extraditable one and it is, therefore, apparent that further investigative activity at this time would be ineffectual.

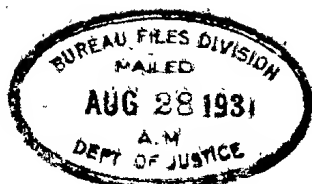

In view of the facts noted, you are authorized to close your file in this case, subject to being reopened upon receipt of information to the effect that the subject is in this country. The Identification Order on this subject is still outstanding and a wanted notice bearing the subject's name, aliases and description is on file in the Bureau's records.

DETAILS: --- At Seattle, Washington ---

Inquiry at the King County Washington Sheriff's office among various Deputy Sheriffs who are familiar with all sections of King County disclosed that no one ever heard of such a place as Albert Stutz described as a hideout in a cove near Seattle.

DETAILS: Identification order of subject Perry was displayed to members of the King County Sheriff's office but no one recalled having seen this party. Frank Hutton's photograph was also displayed to members of the Sheriff's office, and he also was unknown. A search of the criminal records at the Sheriff's office and Police Department failed to disclose any record of Frank Hutton.

Agent contacted numerous members of the Detective Division of the Seattle Police Department who were shown photographs of both subject and Frank Hutton but no one could recall either of these parties. These officers all explained if such a place existed as [redacted] would have never been allowed to visit this place.

in order that deportation proceedings may originate through regular channels before reference to State Department.

Agent presented facts in case to Assistant United States Attorney J. Grossman at Chicago, Illinois, and Mr. Grossman wrote to the Attorney General requesting that the proper steps be taken in order to obtain the extradition of E. J. McCutcheon for the purpose of having him serve the sentence which was imposed upon him; that when United States Attorney was informed what papers were desired by the Department of Justice that he would send them immediately to Washington; that the expression "deportation proceedings" in the telegram from the Director suggested that probably the treaty referring to extradition in this matter does not cover the offence charge and that therefore the fugitive might be deported by the Canadian Government as an undesirable alien.

Agent interviewed Assistant United States Attorney J. Grossman on January 15, 1929, as to action taken by the Attorney General in this matter and Mr. Grossman stated that he had received a letter from Assistant Attorney General G. E. Inhring stating that the indictment in this case involved Sections 6, 19, and 57 of the Criminal Code and Section 4 of the Espionage Act, all of which deal with conspiracy, and as the offence of conspiracy is not included in any of the extradition treaties with Great Britain, a demand for extradition in this case would not be warranted, and as to the reference to deportation proceedings, such proceedings would have to be initiated by the Canadian Government and the Department of Justice could not take any steps in the matter.

Letter is being forwarded to the Director requesting instructions whether this matter will be handled direct by the Bureau of Investigation or whether Chicago Office of Bureau shall refer it to the nearest border office to endeavor to obtain deportation from Canada of Subject as an undesirable alien.

The Honorable,
The Secretary of State,
Washington, D. C.

My dear Mr. Secretary:

Reference is made to your file U-2 861.00/10485, concerning one WILLIAM D. HAYWOOD, who, together with 96 others, was indicted by a Federal Grand Jury at Chicago, on September 28, 1917, charged with conspiracy to violate certain sections of the United States Criminal Code, and under this indictment was convicted at Chicago on August 17, 1918 and sentenced to serve a total of twenty years in Leavenworth Penitentiary and fined \$20,000. Haywood was released on bond pending appeal. Conviction was affirmed by the Circuit Court of Appeals on October 5, 1920 and the subject forfeited his appeal bond and became a fugitive.

Two copies of Identification Order #1000 issued by the Division of Investigation on this individual, containing the fingerprints, photograph and descriptive data, are inclosed herewith. The press of this country, under date of May 18, 1928, carried a report to the effect that Haywood died in Moscow, Russia on that date, after a lengthy illness.

It is also noted that report #156, dated August 27, 1924, received by your Department from the American Legation at Riga, Latvia, contained advice that Haywood had been sent by the Central Committee of the International Revolutionary Relief Organization to conduct a membership campaign in Podolsk.

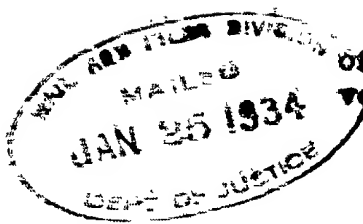

It is respectfully requested that, through representatives of your Department in Russia, the death of William D. Haywood be verified, as reported above.

Sincerely yours,

(Signed) Homer Cummings

Dear Sir:

Re: WM. D. HAYWOOD, I.O. #1000 - FUGITIVE;
Conspiracy to violate Espionage Act.

There is being transmitted herewith a question and answer column from the Detroit News of even date in which inquiry is made regarding "Big Bill" Haywood, the answer to which sets forth information to the effect that William D. Haywood, former I. W. W. leader, died in Russia on May 18, 1928 and by his wish part of his ashes were buried in Chicago and part in Russia. The article further sets forth that Haywood left this country in 1921 after receiving a sentence of 20 years for obstructing the war.

An inspection of the case file and the Identification Order file in the Detroit office reflects that the identification order for Haywood is still outstanding. It is further noted that Division Bulletin No. 12, dated October 7, 1933, containing a list of outstanding identification orders, includes Identification Order No. 1000 as pending.

As I recall, when preparing a list of the outstanding identification orders at the St. Louis Division office in 1929 I called the attention of the Division to the alleged death of William D. Haywood in Soviet Russia. It is my understanding that the Division at that time advised that Identification Order No. 1000 could not be cancelled in view of the fact that the United States did not have diplomatic relations with Soviet Russia and, accordingly, could not officially receive information regarding the death of Haywood.

News dispatches in recent weeks have carried statements to the effect that diplomatic relations have been established with Soviet Russia. Accordingly, it would appear now entirely possible to officially prove the death of Haywood which would afford the Division opportunity to cancel the identification order in question.

Very truly yours,

E. E. Conroy,

On September 28, 1917 Subject, William D. "Big Bill" Haywood, along with 96 other Subjects, was indicted in the United States District Court for the Northern District of Illinois, for unlawful and felonious conspiracy under the name of the "Industrial Workers of the World", in violation of numerous sections of the Criminal Code, including the Espionage Act and the World War Act.

RECORDED

61-2494-157X

Subject Haywood was tried and convicted on four counts by this Court and on August 30, 1918 was sentenced by the presiding Judge, Kenesaw Mountain Landis, to the following fines and sentences together with court costs. The prison sentences were made to run concurrently.

OCT 17 1934

Count #1	6 years imprisonment	\$ 5,000.00
Count #2	10 years imprisonment	5,000.00
Count #3	2 years imprisonment	5,000.00
Count #4	20 years imprisonment	5,000.00

On September 6, 1918 Subject Haywood was received at the Leavenworth Penitentiary where he became Number 13106. However, he perfected an appeal to the United States Circuit Court of Appeals for the 8th Circuit, and pending the hearing of this appeal was released from the penitentiary July 25, 1919 on bond of \$ 15,000.00

On October 5, 1920 the judgment of the lower Court was affirmed with a modification which struck out the sentences and fines under counts #1 and #2, and on May 7, 1920 Haywood's bond was ordered forfeited when it developed that he would not appear to complete his prison term. Thus did "Big Bill" Haywood become a Fugitive From Justice. An investigation was immediately begun by the Bureau of Investigation, now the Division of Investigation of the Department of Justice for the purpose of causing his apprehension, and an identification order was issued and circulated.

"Big Bill", as he was popularly known, never finished his term at Leavenworth. The following year, 1921, he fled to Russia where he died in exile on May 18, 1928.

William D. "Big Bill" Haywood was born in Salt Lake City, Utah in 1869. His father, a poor miner, died when he was but a child and he grew to manhood in the hard atmosphere of a mining camp. At the age of 9 he entered the mines to work. Here he spent the formative years of his life witnessing and experiencing the pains of poverty, and forming the radical ideas which later dominated his life, and led him to a spectacular but futile career.

Without schooling, Subject Haywood exhibited qualities of leadership at an early date. He became associated with the Western Federation of Miners when that organization was formed and was Chairman of the Executive Board when the famous Coeur d'Alene troubles occurred in 1899. He assumed leadership in this great strike and for the first time put into effect his idea of "direct action". The result was rioting and bloodshed with the bombs of the strikers pitted against the bayonets of the State troops.

Haywood's activities in the Coeur d'Alene outbreak brought him into conflict with Governor, Frank Steunenburg of Idaho. On December 12, 1905 Governor Steunenburg was murdered by an explosion from a bomb. Haywood and several others were accused of the crime and were placed on trial with the death penalty demanded. William E. Borah was appointed Special Prosecutor for the State and the defendants were ably represented by Clarence Darrow. After a sensational trial all of the defendants were acquitted on July 27, 1907.

Following his acquittal Subject Haywood went to Chicago, Illinois where he came under the influence of the great Socialist leader, Eugene Debs. At a conference held in that city the I. W. W., (Industrial Workers of the World), was born. So radical however, was "Big Bill" Haywood that he caused a split in the Socialist Party and he was expelled in 1913, taking with him the I. W. W., which under his leadership became an instrument of terror throughout the nation.

Haywood was a daring and militant leader. Although blind in the right eye he was a commanding figure. A giant in stature, weighing 226 pounds, he possessed the eloquence of speech and the ability to arouse and sway his listeners. He advocated and inspired violence as the means for attaining his objectives and wherever he spoke heads were broken and buildings destroyed.

He was the leader in the Lawrence, Massachusetts Textile strike in 1913, where he was arrested and acquitted. He took part in the Patterson, New Jersey Silkweavers strike and received a 3 weeks jail sentence. He was given a 6 months sentence on a charge of disorderly conduct during the strike at Lowell, Massachusetts. He also participated in the strikes at Gripple Creek, Colorado and Mesaba Range, Minnesota.

Haywood's career came to a necessary ending with America's entry into the World War. "Free speech" became unpopular and his violent tactics in labor controversies soon led to his arrest as an obstructionist, and subsequent prison sentence as above-stated.

In 1921, the year following following his release from Leavenworth, Haywood succeeded in an effort to quit the United States and made his way to Russia where he became a full fledged Communist.

Upon his arrival in Moscow, Haywood was reported to have received a rich grant of a coal concession in the Kesnetzky basin in Siberia, from the Siberian Revolutionary Committee. This grant, given as a reward for his services to Communism in America was made to Haywood as head of a group of American workers who were to go to Russia as Soviet Workers. This venture resulted in complete failure.

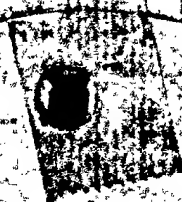

In Moscow Subject Haywood engaged in writing propaganda articles and occasionally delivered lectures to the English speaking workers on the subject, "The Labor Movement in America". He also participated in the conduct of the Soviet membership campaign in 1924, in Pocolsk, under the auspices of the M.O.P.R., (International Revolutionary Relief Organization).

However, Haywood's work in Russia was comparatively unimportant. He was growing old and in failing health, and on May 18, 1928 he died in his sleep of diabetes, following a paralytic stroke. At his death he was attended only by his Russian wife whom he had married in 1927, and who spoke no word of English. His ashes were interred beneath the wall of the famed Kremlin fortress in Moscow at a special ceremony.

According to press reports received in this country "Big Bill" Haywood died a lonely and disillusioned old man. Certain it is that in Soviet Russia he found no liberty comparable to that which he enjoyed and abused in the United States. (A voluntary exile from his native America Haywood chose to adopt a land where the force and violence which he had advocated, ruled supreme. In such a country, where a fight for freedom was truly justified he was compelled to submit to tyranny, for in that Marxian Utopia of Socialism one must be rigidly orthodox in his socialistic views, and freedom of speech and publication do not exist.) *cut out*

Copies of the photograph of Subject Haywood are attached to this memorandum.

MEMORANDUM FOR THE ASSISTANT TO THE ATTORNEY GENERAL
MR. WILLIAM STANLEY

William D. Haywood together with a number of other individuals was indicted by a Federal Grand Jury at Chicago, Illinois, on September 28, 1917, charged with conspiracy to violate Sections 6 and 19 of the Criminal Code; Section 37, Criminal Code in connection with Section 332, Criminal Code; Section 5, Act of May 18, 1917, and Articles of War Act, August 29, 1917; Section 4, Espionage Act of June 15, 1917; Sections 3 and 37, Criminal Code in connection with Section 215, Criminal Code. Under this indictment he was convicted at Chicago, Illinois, on August 17, 1918, and sentenced to serve a total of twenty years in the United States Penitentiary at Leavenworth, Kansas, and fined \$20,000 but was released on bond pending appeal. Conviction was affirmed by the Circuit Court of Appeals on October 5, 1920, but Haywood forfeited his appeal bond and became a fugitive.

RECORDED

61-2474-15781

Identification Order number 1000 containing fingerprints, photograph and descriptive data was subsequently issued by this Division for Haywood.

JUL 7 1934

Under date of September 20, 1924, the Department of State furnished a copy of report number 156 dated August 27, 1924, of the American Legation at Riga, which stated that Haywood had been sent by the Central Committee of the International Revolutionary Relief Organization to conduct a membership campaign in Poodolsk.

Inasmuch as the press of this country under date of May 18, 1928, carried a dispatch to the effect that Haywood died in Moscow, Russia, the Department of State was requested on January 25, 1934, to verify this information. In response a communication dated February 7, 1934, was received from the Department of State stating in effect that upon the early opening of the American Consulate General at Moscow, an attempt would be made to obtain proof of Haywood's death.

Kindly advise this Division whether further communication should be had with the Department of State for the purpose of verifying the above information or whether the outstanding Identification Order number 1000 should be cancelled at this time by this Division.
